## Reward Increase and Case Update: College West Assault with a Deadly Weapon **\$10,000 Reward Offered**

September 8, 2021

**San Diego County Crime Stoppers** and investigators from the San Diego Police Department's Eastern Division are continuing to ask for the public's assistance to help identify and locate the suspects responsible for shooting a 16-year-old male in the face in the College West area of San Diego.

*On August 21, 2021, at approximately 11:50 p.m., two 16-year-old males were leaving a party located in the 4900 block of Campanile Drive, in San Diego. As these two males were leaving the party, they were confronted by a group of approximately 20 to 30 Hispanic or Asian males. This large group accused the two males of throwing a bottle at them and then chased both males to the 5900 block of Baja Drive. A large group of unknown male suspects began to punch the victim multiple times. The victim looked up and saw a muzzle flash and immediately felt pain to his face. The suspects ran away westbound on Baja Drive.*

*The victim's friend took him to a local hospital for medical treatment. The victim was not actually struck by a bullet but was struck by fragments from the bullet. The victim sustained several lacerations to his face and permanent loss of his left eye.*

### **Suspects' Description:**

*The victim described the group of suspects as approximately twenty Hispanic males who had thin builds and one heavy set Asian male. A witness described the group of suspects as forty "well-dressed" college aged Asian males.*

**\*\*\*The victim's family is offering a \$9,000 reward in addition to Crime Stoppers' \$1,000 reward for information that leads to an arrest in this case.\*\*\***

Anyone with information on the identity and or location of the suspects is asked to call the San Diego Police Department's Eastern Division at (858) 495-7940 or the **Crime Stoppers anonymous tip line at (888) 580-8477**. Visit the Crime Stoppers website at [www.sdcrimestoppers.org](http://www.sdcrimestoppers.org) for more information on how to send anonymous web and mobile app tips.
